#### **Management Comments**

"We continue to reap the benefits of our well-executed plans meeting the Company's strategic targets. Our evolving product portfolio resonates well with our customers and propelled our continuous growth with another strong quarter," commented Eitan Oppenhaim, President and Chief Executive Officer. "Following our consistent achievements this year, we announced during our recent analyst and investor day, our new plan to organically grow the business to more than \$500M in revenues. The combination of our financial model, operation leverage, and diversified portfolio supports our plans to continue our growth across segments and customers. Along with our guidance for the third quarter of 2021, we are well-positioned to achieve another record year and position Nova to capitalize on further opportunities in different territories."

#### 2021 Third Quarter Financial Outlook

Management provided an outlook for the third quarter, the period ending September 30, 2021. Based on current estimates, management expects:

- \$99 million to \$106 million in revenue
- \$0.71 to \$0.84 in diluted GAAP EPS
- \$0.85 to \$0.98 in diluted non-GAAP EPS

#### **Use of Non-GAAP Adjusted Financial Measures**

This press release provides financial measures that exclude amortization of acquired intangible assets, stock-based compensation expenses, expense related to a transaction made by a financial institution without Company authorization, revaluation of operating lease liabilities, amortization of debt discount and issuance costs and tax effect of non-GAAP adjustment, as applicable, and are therefore not calculated in accordance with generally accepted accounting principles (GAAP). Management believes that these non-GAAP financial measures provide meaningful supplemental information regarding Nova's performance because they reflect our operational results and enhance management's and investors' ability to evaluate Nova's performance before charges or benefits considered by management to be outside Nova's ongoing operating results. The presentation of this non-GAAP financial information is not intended to be considered in isolation or as a substitute for the financial information prepared and presented in accordance with GAAP. Management believes that it is in the best interest of its investors to provide financial information that will facilitate comparison of both historical and future results and allow greater transparency to supplemental information used by management in its financial and operational decision making. A reconciliation of each GAAP to non-GAAP financial measure discussed in this press release is contained in the accompanying financial tables.

#### **Forward-Looking Statements**

This press release contains forward-looking statements within the meaning of safe harbor provisions of the Private Securities Litigation Reform Act of 1995 relating to future events or our future performance, such as statements regarding, but not limited to, anticipated growth opportunities and projections about our business and its future revenues, expenses and profitability. Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause our actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied in those forward-looking statements. Factors that may affect our results, performance, circumstances or achievements include, but are not limited to, the following: catastrophic events such as the outbreak of COVID-19; increased information technology security threats and sophisticated computer crime; foreign political and economic risks; changes in U.S. trade policies; inability to protect intellectual property; open source technology exposure; failure to compete effectively or to respond to the rapid technological changes; consolidation in our industry; difficulty to predict the length and strength of any downturn or expansion period of the market we target; factors that adversely affect the pricing and demand for our product lines; dependency on a small number of large customers; dependency on a single manufacturing facility per product line; dependency on a limited number of suppliers; lengthy sales cycle and customer delays in orders; political, economic, and military instability in Israel; risks related to our convertible notes; currency fluctuations; and quarterly fluctuations in our operating results. We cannot guarantee future results, levels of activity, performance or achievements. The matters discussed in this press release also involve risks and uncertainties summarized under the heading "Risk Factors" in Nova's Annual Report on Form 20-F for the year ended December 31, 2020 filed with the Securities and Exchange Commission on March 1, 2021. These factors are updated from time to time through the filing of reports and registration statements with the Securities and Exchange Commission. Nova Ltd. does not assume any obligation to update the forward-looking information contained in this press release.
